

Welcome to SPICE-Lite!

SPiCE-Lite

The Software Tool to Rate and Analyze
Your Software Development Processes

The Vision:

Faster, better cheaper software development?

The Mission statement:

"You will not learn running by performing actions by chance. You learn running if you try hard to reach a goal."

The Mission:

SPiCE-Lite helps to identify and eliminate the barriers on your way to success.
Because: *"Motivation without Information is Illusion."*
